

Charles Sturt  
University

An Australian leading university for grads who get jobs\*

# Master of Professional Accounting

(Professional Practice)

The Master of Professional Accounting (Professional Practice) equips you with the knowledge and skills to successfully work in the accounting profession and provides you with the opportunity to gain valuable work experience and build industry connections.

This accounting course – designed specifically for international students – is ideal if you hold an undergraduate degree in a non-accounting field and want to move your career or add accounting expertise to your current role.

Accreditation with CPA Australia and Chartered Accountants Australia and New Zealand (CAANZ) sought for the 128-point Master of Professional Accounting (Professional Practice).
