

Charles Sturt  
University

An Australian leading university for grads who get jobs\*

# Master of Agricultural Science

(with specialisations)

Advance your agriculture career with the Master of Agricultural Science (with specialisations) from Charles Sturt University. Redirect or enhance your capabilities for a diverse career in the agricultural or agribusiness sector.

Our campus is home to the most sophisticated underground root growth laboratory in the southern hemisphere. We also offer five state-of-the-art laboratories and modern glasshouse facilities, working models of a range of irrigation systems, and an on-campus 1,600-hectare university farm.

You can choose your specialisation in agricultural business management, digital agriculture or sustainable agriculture.

#2

in Australia

for agriculture postgrads  
who get jobs

83% of our grads get full-time  
jobs within 4 months  
of graduating
